

Let us pray for the world and let us thank God for his goodness.

Almighty God, our Heavenly Father, you promised through your Son, Jesus Christ to hear us when we pray in faith.

Strengthen our Bishop Guli and your Church in the service of Christ: that those who confess your name may be united in your truth, live together in your love, and reveal your glory in the world.

We pray for Jeremy and all the clergy in the Deanery. We pray for the Laity and for our own Church Wardens, Barbara and Mat and the members of our PCC offering talents to this important concern. And here at All Saints for we pray for the background workers who make our church building and its environs welcoming to all who visit.

**Lord in your Mercy Hear our Prayer**

Bless and guide Charles our King; give wisdom to all in authority; and direct this and every nation in the ways of justice and of peace; that men may honour one another and seek the common good. .

Pray for our country, government, opposition and other parties that they work together willingly to solve the problems. We are not infallible but there is missing a true diligence of purpose generally speaking and things going wrong and shouldn't be. **Lord in your mercy hear our Prayer**

Our thoughts have to be with America. The address by President Trump was not comfortable to hear and his rudeness to outgoing President Joe Biden was very unpleasant. We must pray hard for the better nature of American citizens. We pray for all those who have been affected by the fires and the firemen tackling the blazes.

We are very blessed to live in a village. Pray for our school and all those that provide education for our young people. Pray for Hadstock, our sister parish, and our pattern of services which enable us to get together. Already we can see farming activity and we pray for all those who work on the land. **Lord in your mercy hear our Prayer**

Pray for our hospitals and the staff who work there and all the medical services that somehow coper at this time of year. It is sad that as this time of the year death comes sometimes without warning. Pray for all those who mourn and for those in our village at this time.

Hear us as we remember those who have died in the faith of Christ, Gemma and Annette laid to rest this past week. **Lord in your mercy hear our Prayer**

This coming week sees the Holocaust Memorial Day tomorrow. This should remind us all, that in the right circumstance, such a horror could be repeated.

In the church calendar on Tuesday we remember Thomas Aquinas, priest, philosopher & teacher, died 1274 and on Thursday Charles, King and Martyr who died 1649

Rejoicing in the fellowship of the blessed virgin, your saints we commend ourselves and all Christian people to your unfailing love.

**Merciful Father accept these prayers for the sake of your son and our Saviour Lord Jesus Christ. Amen**
