

Let us pray for the church and for the world and let us thank God for his goodness

Almighty God, our heavenly Father you promise through your son Jesus Christ to heal us when we pray in faith.

Pray for our Archbishop Sarah. As a woman and the first female Arch Bishop, it is not going to be easy, but with love and support from all of us I feel obstacles can be overcome. Pray for Jeremy, our clergy team, readers and the laity, sharing our Christian faith in the area. Pray for the Catholic church as there are murmurings again for women to be allowed into their priesthood. It will happen and they will benefit.

Lord in your mercy hear our prayer.

Bless and guide our King Charles and give wisdom to all in authority. We live in uncertain times and witness the undermining of the rule of law and the decency of our democracy. Give us all the courage to stand firm in our Christian faith, values and to honour our forbearers who brought peace to our country.

Lord in your mercy hear our prayer.

Pray for all those caught up in the horrors of war & strife. It is strange to think that many who follow Islam in our country, cannot comprehend the brutality of an Islamic state, and that having joined that state, realise on pain of death, that they have to stay, many risking their lives to return home. They also come to realise that the AID AGENCIES are under threat.

Give grace to us, our families and our friends & neighbours. Pray for our village and for Hadstock, our school, staff and children taking a welcome break, our clubs and community groups. And we thank those individuals who go the extra mile for the good of all of us.

We give thanks for our visitors, their thanks for finding the church building open everyday, the atmosphere of prayerfulness and the lovely church. However we thank God for the talents that exist here.

Lord in your mercy hear our prayer.

Comfort and heal all those who suffer in mind or body. As yet another air ambulance rushed past over my garden and I uttered a prayer and thanked all in medical services for their wonderful work. Pray for all medical staff.

Lord in your mercy hear our prayer.

Hear us as we remember all who have died in the peace of Christ. Rejoicing in the fellowship of all the saints we commend ourselves and all Christian people to your unfailing love.

Merciful Father accept our prayers for the sake of thy dear son Jesus Christ.

Amen
