Dear Lord

We thank you for the gift of nature in our wonderful world.
Ashdon is truly part of your wonderful world with trees abundant and peaceful byways. Let secret gardens remain undiscovered and shared with the few!

Lord in your mercy. **Hear our Prayer**

Love, marriage and baptism have featured much in our recent services and today we welcome Hudson Thake into the All Saints family.

Lord in your mercy. **Hear our Prayer**

Bless the Diocese of Saffron Walden and the Team Ministry who are all having to undertake extra work whilst Jeremy is on his sabbatical. Guide Romey in her work, here at All Saints and Hadstock. Also Bren at ABC moving on and our dear friend Vicky taking services there.

Lord in your mercy. **Hear our Prayer**

We pray for those that are unwell, whether this be physical or mental frailty. We also remember those recently bereaved and friends whose anniversary falls at this time,

Merciful Father, accept these prayers for the sake of your Son, our Saviour Jesus Christ.

Amen
